How to Set up a Front Page

Following the previous documentation your front page will be directly the portfolio single page application.
You can change it if you want, you can set a different page for this.

As mentioned you can edit and use the Intro Front page for that.

There are 3 steps to set up this page as the front one:

- Go to Settings ☐ Reading
  Front page displays -> A static page
  Front page : choose the intro Front page
  click Save Changes

- Go to Appearance □ Menus
  Select a menu to edit: ->**portfolio** then click Select
  (Pages) **(panel)** and check **portfolio** then click Add to Menu
  then click Save Menu

- Go to Pages
  (Page Attributes) **(panel)** and choose one between "Full-Width Template" if
  you want a Full-Width page or "Front Page Template" if you want it
  standard
  edit the page then click Update.
